Application No. 10/081,095

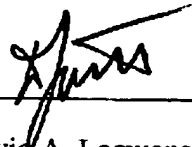

Dear Examiner Collins:

The Amendment and Response contained in the January 16, 2004 facsimile contains an error. The section that starts on page 11 under the heading "Specification" should have been changed before it was sent.

Claims 1 and 3-5 have been amended to be method claims. The objection has now been addressed and the claims should be allowable form. No claim 30 was added, and stated in the text.

I apologize for any inconvenience. If you have any questions, please let me know. My number is 914-937-4119.

Respectfully submitted,

David A. Loewenstein
